“All are welcome so why not come along and support the school,” said a spokesperson.

MAYOR’S CIVIC CAROL SERVICE

MAYOR OF Ferryhill, Councillor David Farry would like to invite readers to the Civic Carol Service which will be held on Monday 10th December at St Lukes Church, commencing at 7pm.

The service will include performances from Ferryhill Town Band, Broom Cottages Primary School Choir, Enter CIC and Chance Drama.

Refreshments will be available afterwards in St Lukes Church Hall.

A collection will be taken and proceeds available afterwards in St Lukes Church Hall.

Councillor Joe Makepeace received an enthusiastic welcome from members of all sections of 1st Ferryhill Scout Group when he presented a cheque for £2,500 during a recent visit to the Scout Hall in Siemens Street.

A spokesperson said: “We are very grateful to Councillor Makepeace for this very generous donation.

“During his visit, he was shown around the hall and learned of the plans to use the money to develop first class facilities to ensure the group can continue to provide the best that scouting has to offer to as many youngsters as possible.

“1st Ferryhill believes in providing young people with skills for life. The group encourages young people to do more, learn more and be more.

“Young people are given the opportunity to enjoy fun and adventure while developing the skills they need to succeed.

“We are talking about teamwork, leadership and resilience - skills that have helped scouts to become everything from teachers to social workers, to astronauts and Olympians. “We believe in bringing people together. We celebrate diversity and stand against intolerance, always. We are part of a worldwide movement, creating stronger communities and inspiring positive futures”.

“In his report presented at the AGM chairman, Donald Park thanked all the uniformed leaders and non-uniformed helpers for delivering an exciting programme for all the youngsters week in and week out.

“I am extremely proud of all our young people who make the commitment shown by our volunteers worthwhile,” he added.

“Whether it’s a beaver scout attending their first sleepover, a cub scout meeting the challenge of the Chief Scout’s Silver Award or a scout completing an expedition, or members of every section turning out, immaculately dressed in their uniforms, irrespective of the weather to proudly take part in the Remembrance parade and service, they all do their best and meet these challenges head on.”

There are over half a million youngsters across the UK in villages, towns and cities who enjoy Scouting activities every week.

Currently, at 1st Ferryhill there are places in each of the group’s three sections: Beavers are for boys and girls aged 6-8 years old and meet on Mondays from 5.45pm until 7pm during term time.

Cubs are for boys and girls aged 8-10½, meeting on Thursdays from 5.45pm until 7pm.

Scouts are for boys and girls aged 10½ - 14 years and meet on Tuesdays from 7pm until 9pm.

Scouting isn’t just for young people either. Each of the sections is run by a team of leaders, assistant leaders, section assistants, occasional helpers and young leaders and every section would welcome an extra pair of hands.

For further information, please contact the Group Scout Leader on 07908 155097 or email 1stferryhill@durhamscouts.org.uk.

TRAILER TO BE SCREENED AS DOCUMENTARY NEARS COMPLETION

"Christmas was about family and friends coming together in the 50’s. "Although I did not get much, maybe half a crown, some nuts, raisins a pair of roller skates and an annual, all wrapped up in a pillow case – as it was all we could afford, it was a great time of year. 

"There were loads of groups of carol singers that used to go round Chilton and Windlestone, everyone liked to sing - it was great place to grow up!" - Ann Hoppes, Chilton Resident.

CHILTON AND WINDLESTONE 1950’s media project group is thanking everyone who has contributed to the documentary and photo collection.

"We would like to thank everyone we needed to pull this project together as well as our funders, the Heritage Lottery, Cllr Christine Potts and Chilton Town Council," said a spokesperson.

The group has carried out several interviews with residents on film who recall their life in the 1950’s and mixed this with photos, news, music and film of the time.

Project Manager, Brian Wise from UCRe8 said: "This has taken nearly a year to pull together and has seen members of the working group, both young and old, visit Durham Archives, Spennymoor Mining Museum and Beamish.

"They have researched the whole of the 50’s examining local, regional, national and international events and in turn managed to piece together interview questions and a structure for the documentary.

"The documentary is not quite finished and we hope to use some of the discussion on the 15th to feed into this.

"What makes this extra special is that we are now working closely with Beamish who intend to use the documentary and photos as part of their new 1950’s area currently being built within the grounds of the museum.

"This project and the memories of local residents will have a legacy which will be witnessed by thousands who will visit Beamish over the coming years.

"The final documentary will be shown early February and will be advertised nearer the time.

For more information on the project drop in to see Keith Bailey at his hair studio in Chilton.

FESTIVE PARKING IS ‘FREE AFTER 3’

LOCAL MOTORISTS and visitors to County Durham can enjoy free late afternoon and evening parking during the Christmas period.

Durham County Council is bringing back its Free after 3 offer which will see free parking available across the county after 3pm, every day in December.

Off street car parks and on-street spaces will benefit from the waiving of charges, with stickers being placed on all payment machines to let drivers know.

Cllr Carl Marshall, Cabinet member for economic regeneration, said: “The Free after 3 scheme aims to support shoppers in the busy run up to Christmas.

"It can be an expensive time for people and this is one less thing to worry about.

"It also supports shops who rely on footfall for a prosperous festive period.

"The scheme goes some way to encouraging people to shop locally and support the small businesses that form the backbone of our communities."

Drivers are advised that payment machines will not be switched off at the times when charges are not in place and that any money paid into machines during the offer times will not be refunded.

Details of all council car parks can be found at www.durham.gov.uk/parking.
